

# Stock Saver Vet™

**Stock Saver Vet™ is a humic and fulvic acid based multi-function tonic offering proactive stock health.**

Features fulvic and humic acids derived from ancient plant matter. Fulvic acid is an electrolyte, which can maintain cellular balance. Humic acid can maintain optimum digestive health.

## **BENEFITS**

- Australian Certified Organic (ACO) Registered Product 456AI.
- Convenient additive to stock food.
- Nutritional supplement to maintain health.
- Supports general health, vitality and digestion.

## **PACKAGING:**

3 kg, 25 kg  
Product Code:  
SSV

**ANIMAL  
HEALTH**

# Stock Saver Vet™

## DIRECTIONS & INCLUSION RATES

### Poultry:

Include with food at a rate of 1 g per kg of food once per week.

### Pigs:

Include with food at a rate of 1.5 g per kg of food once per week.

### Sheep, Cattle, Goats & Horses:

Include with food at a rate of 20 g per 100 kg body weight once per week.

## WHEN TO RECOMMEND

- Nutritional supplement product for inclusion in animal's feed. This product is intended to maintain general health and has no therapeutic effect.

## DIY LIQUID RECIPE

Add Stock Saver Vet™ very slowly to water while agitating to prevent lump formation (if formed these lumps can be very difficult to dissolve). Add up to 180 grams of product per litre of solution.

15% of the humates are insoluble, which may require sieving before use.

## STORAGE

Store in a cool, dry area away from direct sunlight.

**Disclaimer:** Any recommendations provided by Nutri-Tech Solutions Pty Ltd (NTS) or its Distributors are advice only. As no control can be exercised over storage, handling, mixing, application or use, or weather, plant or soil conditions before, during or after application (all of which may affect the performance of our program), no responsibility for, or liability for any failure in performance, losses, damages, or injuries (consequential or otherwise), arising from such storage, mixing, application, or use will be accepted under any circumstances whatsoever. NTS recommend you contact an Agronomist prior to product application. The Buyer assumes all responsibility for the use of any NTS products.
